

Shivakumar Jolad

CONTACT INFORMATION	APJ 306, FLAME University Gat No. 1270, Lavale, Off. Pune Bangalore Highway, Lavale Pune-412115, MH	Ph: +91-9712936004 E-mail: shivakumar.jolad@flame.edu.in
CURRENT POSITION	Associate Professor(Public Policy), FLAME University , Pune, Maharashtra, India Chair, Center for Legislative Education and Research, FLAME University	
CURRENT RESEARCH INTEREST	Education Education Policy and Governance, School System, Language in Education, Education History Public Policy, Public Administration, and Public Health Political and Administrative Evolution, Federalism, Decentralization, Internal Migration, Urban Governance, Population Studies, Maternal and Child Health, Computational Epidemiology	
EDUCATION	Ph.D.,Physics, The Pennsylvania State University , University Park, PA, USA Minor, Demography , The Pennsylvania State University	2005- 2010 2007- 2010
	M.S., Physics , Texas A&M University , TX, USA	2003- 2005
	B.E, Electronics and Communications, M S Ramaiah Institute of Technology , Bangalore	1999- 2003
EMPLOYMENT HISTORY	• Associate Professor, Public Policy, FLAME University Jan 2019- to date • Chair, Center for Legislative Education and Research, FLAME University Aug 2025- to date • Head, Research vertical, Leadership for Equity, Pune May 2024-Dec 2024 • Head, Department of Social Science, FLAME University Aug 2023- May 2024 • Assistant Professor (Physics, jointly with Social Science), IIT Gandhinagar 2012- Dec 2018 • Postdoctoral Research Associate, Virginia Tech, VA, USA 2010- 2012 • Teaching Assistant, Pennsylvania State University, PA 2005- 2009 • Teaching Assistant, Texas A&M University, TX 2003- 2005	
INDIA STATE STORY	Project Founder-Director, India State and District Evolution IndiaStateStory The India State and District Evolution Project curated by myself with research associate Mehr Kalra and other team members. This is a one-of-its-kind project which aims to trace the broader political and administrative history of India from the Colonial period (start of Indian Census in 1872) to present by mapping transitions in admin boundaries, time series analysis and linking with political history. The outcomes of this project includes a series of visual documents and stories such as twitter threads (state evolution story), posters of every state , Interactive Website, dashboards on district changes (District evolution 1951-2024 ,District Splits, New Districts) research and media articles (The Wire, India Spend, Deccan Herald, Economic Times; State: Scroll, News Minute, News laundry) , and comprehensive booklets, all aimed at enhancing public understanding of India's administrative evolution.

- ES-404 Networks and Complex Systems Spring 2014
- ES-102 Introduction to Computing with Python Fall 2013
- MA-202 Numerical Analysis Fall 2012

Other Instructional Activity

- Policy Boot Camp- FLAME University, July 2023
- (Main Instructor) **Evidence based research in public policy: Problem identification-** seminar on *Research to Inform Policy: Report Writing*, Directorate of Economics and Statistics, Gandhinagar, Gujarat - August 2017.
- SC 187- Instructor in IITGN-JPAL short course on **Human Development and Public Policy**, March 2017
- IN 792- **School Consolidation: Comparative Analysis of Gujarat and Kerala** (student: Susana Sharon), Spring 2017
- HS 599- **Statistical methods for public health** - (students: Mukta Gundi and Sini Verghese), Fall 2015.
- IN 791-*Evolutionary Dynamics* - (student: Richa Tripathi), Fall 2015
- PH 599- *Introduction to Nonlinear Dynamics*- (student: Harish Madhok) , Spring 2015.
- IN 791 - **Statistical Physics of Social Systems- Agent based simulation-** (student: Mr. Chakresh Singh) Spring 2015.
- IN 791 - *Modeling Epidemic Processes* - (student: Mr. Amit Reza), Fall 2014.
- DES-301 (guest instructor) Disruptive design for Indian Health care : **Maternal and Child Health in India**, March 2014.
- Workshop on **Introduction to R- statistical and mathematical package**, July 2013)
- **Public Health in India-** lectures for SUNY Albany visitors symposium: Society and Health (July 2013)
- Short Course - *Simulating Life, Agent based models in Science and Social Science* (July 2013)
- IN 792- Pattern formation in Nature - (student: Ms. Sonam), Fall 2013
- IN 792-Dynamics of Social Group formation- (student: Mr. Priodyuti Pradhan, Computer Science), Spring 2014.

CONFERENCE,
SYMPOSIUM,
AND
WORKSHOPS

- (Organizer) **India in Transition: 75 years of evolution of Indian states and districts.**, FLAME University, Pune. March 24, 2025
- (Co-organizer) **LFE-FLAME: Transforming Educational Systems at Scale for 21st Century Skills: Ensuring Equity Amidst Change**, FLAME University, Pune, Sept 2024.
- (Co-organizer) **LFE-FLAME: Rethinking Educational Transformation: Systems Change for a Better Future**, FLAME University, Pune, July 2023
- (Co-organizer) **Accessing Democracy: Civic Tech, Governance, Data Privacy, and Digital Rights**, FLAME Center for Legislative Education and Research, Sept 2023
- (Presenter) *6th International Conference on New Trends in Teaching*, Brussels, 26-28 May 2023.
- (Presenter) *SALAM-IIPS: Labor Migration & Sustainable Development in Asia Conference*, Mumbai, 02 June 2023
- (Presenter) **Law Economics and Policy- 2022**, FLAME Center for Economics and Public Policy, Nov 2022

- (Presenter) **Right to Education Conclave-2022**, Gujarat National Law University, Gandhinagar, Oct 8-9, 2022
- **Cornell- GRAAM Policy Analysis and Program Evaluation-** workshop, GRAAM, Mysore, June 2019
- **Organizer and Instructor:** IITGN-JPAL short course on **Human Development and Public Policy**, March 2017
 - Lectures on: Values and Framework of Development, Human Development- Capability Approach, Measures of Development, Education and Human Development
- **Orientation programme on Professional Policy Making**, NUEPA, New Delhi, Nov-2016
 - Education Policies: policy process, frame work and evaluation
- **Organizer:** Workshop on **Reflections on Six Years of Right to Education Act - 2009** - IIT Gandhinagar, July 22, 23rd , 2016.
 - RTE Act : Formulation and Challenges in Implementations
 - Themes : Governance and State Capacity, Learning Outcomes, Ensuring Access and Retention, Equity, Field Experience and Education discourse
 - View from all stakeholders: policy makers, academicians, government, think tanks, NGOs and teachers
- **Organizer:** NNCMCB- Symposium on Mathematical and Computational Biology - March 2015.
- **Organizer:** **Research Methods in Population Sciences** - July 2013.

EDUCATION OUTREACH

Rashtriya Avishkar Abhiyan : Ministry of Human Resource Development, GoI- Nodal Officer (With Prof. Sriram Kanvah) for IIT Gandhinagar.

- Conducted Science Day , with student participation from Ahmedabad and Gandhinagar.
- Coordinated with KV and Naovodaya schools on science activities.
- Judged KV school science projects for Children Science Congress
- Conducted a Science from Toys workshop for these students. Working with MHRD, Sarva Shiksha Abhiyan office and Vikram Sarabhai Community Science

PAHELI Survey: Conducted Peoples Health, Education and Livelihood (PAHELI) - Survey in Palaj and Basan villages - March- April 2015

Village school teaching: Coordinated teaching activities in Palaj and Basan Villages by IITGN Students as part of Unnat Bharat Abhiyan- Feb- April 2015.

Judge for *Graduate Poster Exhibition* , [Penn State University](#) **2009,2010**
Judged the graduate level posters in Science and Humanities.

Judge for *Pennsylvania Junior Science & Humanities Symposium*, [Penn State University](#) **2008**
Graded middle and high schools kids science talks and assigned ranks to them.

Volunteer for *Science in Action*, [Bangalore Association for Science Education](#), India **1997-1999**
Actively participated in the city wide science education program through organizing and setting physics experiments and demonstrating it in front of high school kids.

COMMUNITY SERVICE AND GRASS-ROOT INITIATIVES

Petition drive for absentee Voting in Indian Elections **2008-2009**
Created an online group called voterswithoutborders (www.voterswithoutborders.org) and initiated the petition drive to allow Non resident Indians and People on the move in Indian Elections

Association for India's Development, Penn State and Texas A& M University **2003-2008**
Secretary and Project Coordinator

- Sikshana- empowerment of public schools-Phase II, Bangalore India
Reviewed and coordinated efforts for funding the project. Site visit in India and ground level assessment; involved other chapters in the project.
- Eureka Quality Improvement Program (EQUIP), Tamil Nadu, India
Evaluated primary educational component involving 4,500 schools in Tsunami affected districts in India.
- Campaign to stop amendment to Right to Information Act (RTI) India-2005
Actively participated in the campaign efforts of AID.
- Organized meetings of the student club, wrote minutes of meeting, and initiated Inter chapter collaboration

Asha for education- Right To Education(RTE) Cell

2006

Evaluated the RTE Bill for amendments, coordinated campaign efforts to reinstate the RTE bill in India.

RESEARCH GRANTS

- DST- Fast Track Grant- *Modeling spread of vector borne diseases in urban areas from a spatial interacting networks perspective*. Sanctioned Rs. 9,00,000 (approx) as PI- Shivakumar Jolad
- (Tannistha Samantha as PI) Indian Council of Social Science Research. *How Are Context And Health Of Older Adults Related? Incorporation of Geospatial Analysis into Sociology of Aging* Approved Rs 16.28 lacs, as Co-PI (PI- Prof. Tannistha Samanta).
- Seed grant – IITGN *Modeling spread of Dengue epidemic in urban areas from a spatial interacting networks perspective*. Sanctioned Rs 12,00,000

TALKS AND PRESENTATIONS

Relevant to education and public health: **years 2012-16**

- *Right to Education in India, 12(1)(C) and Beyond*, Riverside School, Ahmedabad, Aug 2017,
- *Evidence based research in public policy: Problem identification-* seminar on Research to Inform Policy: Report Writing, Directorate of Economics and Statistics, Gandhinagar, Gujarat., Aug 2017
- Shivakumar Jolad and Vijayanti K, *Shrinking government schools Small schools and Implications on access, equity and efficiency in Karnataka*, July 2017,.
 1. International center for Theoretical Sciences, Bengaluru
 2. Akshara Foundation, Bengaluru
 3. RV Teachers College, Bengaluru
- Shivakumar Jolad, June 2017, Data in India Challenges and Opportunities in Data Driven Modelling, PES University, Bengaluru
- *Policy process analysis*, at Orientation Programme on Policy Making, NUEPA, New Delhi, Nov 2016.
- *Journey towards Right to Education in India*, at the workshop on ‘Six years of Right to Education’ at IIT Gandhinagar, July 2016.
- *Human Development in Ahmedabad*, Gujarat Social Infrastructure Development Society, Gandhinagar, Gujarat, April 2016
- *Epidemiological and Public Health Data in India: Challenges and Opportunities in Data Driven Modeling*, 2015 NNMCB Math Bio National Meeting, Pune
- Research symposium on “Host-Pathogen Interactions” supported by Indian Academy of Sciences, held in Coorg, Karnataka, Dec 2014
- *Understanding the poor : socio-cultural context of Health and Sanitation-* Summer Institute on Global Health and Development, IIT Gandhinagar, June 2015.
- *Geographical Information and Health- spatial analysis and public health-* Summer Institute on Global Health and Development, IIT Gandhinagar, June 2015.

2005-2010

- *Spatial Dimensions of Health Services Availability and Utilization in Rural India*.
International Institute of Population Sciences, **Mumbai, India**.

2009

- *Spatial Correlates of Under-5 Mortality in rural India* **2009**
Spatial demography class, Penn State University, **University Park, PA.**
- *Demographic Dividend– Economic and Social Consequences of Population Change* **2008**
Social Demography, Penn State University, **University Park, PA.**
- *India: Progress towards Universal Elementary Education* **2008**
Association for India's Development, **State College, PA.**
- *Policy Analysis: Right to Education (India) Bill-2005* **2006**
Education policy and politics class, Penn State University, **State College, PA.**

WORKSHOPS /
CONFERENCE
ORGANIZED

- **Reflections on Six Years of Right to Education Act- 2009**, July 22-23rd, 2016
- *NNCMCB- Symposium on Mathematical and Computational Biology* - March 2015
- **Research Methods in Population Sciences** - July 2013

RESEARCH
EXPERIENCE

Demography and Social Science- Prior to IITGN

Internship:*Spatial analysis of health systems*, Intl Inst of Population Sciences, Mumbai, India **2009**

- Investigated the spatial nature of maternal and child health correlates at district level in rural India.
- Analyzed the primary data of District Level Household and Facility Survey -3 (DLHS-3) using SPSS and STATA, and obtained the socio-economic and health care variables.
- Explored the spatial autocorrelation of demographic variables and correlates of dependent variables through spatial regression using GeoDa and Arc GIS.

Spatial Demography: *Spatial analysis of under 5 mortality in India*, Penn State University, PA **2009**

- Explored spatial dimension of under-5 mortality in India based on DLHS-2 and Census 2001 data.
- Found the spatial descriptive statistics of under-5 Mortality using Spatial Analytic measures such as Moran's I, LISA and studied the socio-economic correlates using LM-Error and LM-Lag spatial regression models in GeoDa.

Education Policy:*Right to education policy*, Penn State University, PA **2006**

- Conducted extensive policy analysis of *Right to Education, India - (Draft) Bill-2005*.
- Policy recommendations to amend the draft bill as part of *Asha for education* (a non-profit organization based in US, working towards elementary education issues facing India), forwarded to Government of India.

AWARDS AND
HONOURS

David C Duncan Fellowship **2007,2009**
Support for promising doctoral students, Department of Physics, Penn State University

AUF Fellowship **2003**
Department of Physics, Texas A&M University

Summer Research Fellowship **2002**
